Bob the robber 1 unlocked

Bob the Robber can wear a mask and a funny outfit, just like a regular superhero, but he's not exactly an audience favorite. Let's say his superpower is the kind that can get you in trouble if you get caught. If you haven't already figured out his name, we're talking about being able to enter a heavily guarded area, get loot, and get out undetected. That's right, you're a thug! You've been practicing since you can walk, and eventually you have a chance to use your powers for good when a corrupt mayor grabs his beloved city. It's time to hurt this guy and his little minions where it really hurts - right in the wallet. How to play If you're going to take down this crooked mayor, you have to be sneakier and smarter than ever. In this game, you'll work your way through his companies, sneaking up, going to your destination, stealing and getting out of there. This means that you will have to connect in the shadows, tiptoe through its safety, deactivate locks and lasers, and so on. Make sure you've read all the notes you can find because they contain door codes and other helpful information. If you see a guard at the end of the corridor, quickly - in the shade! You can hide in the shade until they pass, and then go towards the target. If you are visible, the alarm will go down. Too many alarms and you will lose your level!
